## **Regional Wellness Symposium to Present Integrative Answers to Autism, Pain, Hair Loss, Dental Issues and Inflammation**

The Women's Health Initiatives Foundation (WHIF), with offices in Dayton and Mason, will present an Integrative Health and Healing Wellness Symposium on Saturday, February 17, 8:30 a.m. to 4:00 p.m. at Centre Park West adjacent to the Holiday Inn West Chester.

The symposium will feature five area experts who will focus on integrative approaches to healing various health conditions instead of just treating symptoms. Topics include:

- **Pain and Where It Comes from...Dr. Hal Blatman, MD**
- **Getting to Autism Remission...Dr. Nathan Morris, MD**
- **Sustainable Healing of Autism...Kara Badgley, FM CHC**
- **The Forgotten Truths of Dentistry...Dr. Daniel DDS**
- **Getting to the Root Cause of Hair Loss...Dr. Shawon Gullette, ND**
- **How Inflammatory Foods Impact the Body...Dr. Hal Blatman, MD**

The cost for this all-day event is only \$99 which includes all speaker sessions, a healthy lunch and nutritious snacks. Women's Health Initiatives Foundation (WHIF) will speak about its mission to prevent, treat and defeat women's cancers during lunch. Proceeds from this event will support the New Hope for Cancer program at the Rosenberg Integrative Cancer Treatment and Research Institute.

This event is made possible through the generous support of its sponsors, Happy Hormone Cottage and Collective Wellness Partners.

A number of health focused vendors will be present throughout the day to educate attendees on their non-toxic products for everyday life. Current vendors include: Norwex, JuicePlus, NYR Organics, Kangen Water, eSBe, Monat, Mindful Wellness Thermography and Happy Hormone Cottage.

**To register to attend, donate, or for more information, go to <http://womenshealthinitiatives.org> or contact [kelly@womenshealthinitiatives.org](mailto:kelly@womenshealthinitiatives.org) or call (937) 371-4838.**
