2020 Sponsor and Exhibitor Overview

ABOUT THE EXPO!

- The Western Ohio Wellness EXPO! is a project of the Women's Health Initiatives Foundation. It was created by WHIF to fill the need for the wellness community to connect with individuals seeking a healthy lifestyle through holistic, natural, or integrative methods.
- The EXPO! will feature an Exhibitor's Fair of approximately 100 vendors whose focus is health and wellness. It will also offer Four Wellness Education Forums throughout the day that all attendees can participate in. Admission fee for the EXPO including Exhibitor's Fair and Education Forum is just \$10 at the door in the form of a donation to WHIF. *All proceeds from this event will benefit Women's Health Initiatives Foundation and its mission to empower women and guide them to the truth about natural options which can prevent, treat, and defeat cancer.*
- WOW EXPO! Sponsors get the first choice of booth location based upon receipt of form with payment. Forms may be mailed with payment, dropped off at the WHIF offices or emailed. For Credit Card payments, you will be emailed a secure online invoice.
- Because the focus of the 2020 Western Ohio Wellness EXPO! is holistic, natural, and integrative wellness, sponsors must fit into this category and will receive priority. A limited amount of booth space will be considered for "Main Street" type vendors, i.e., clothing, jewelry, candles, etc.
- The EXPO will allow ONE Exclusive Brand in each category to be an exhibitor. I.E, there may be multiple skin care vendors but only one representing Arbonne, Neal's Yard Remedies, etc. You will receive exclusivity for ONE brand - please indicate your brand on the form.
